

SNAPSHOT SERIES

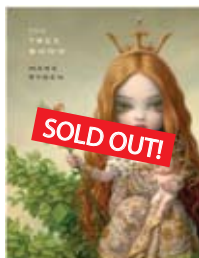

#3 2009

SNAPSHOT SERIES

'Lost Constellations' (above) is **Tara McPherson's** second book of colourful, heart wrenching themes. Silkscreen prints also available.

And 'masked' glorified cartoon alter egos by **Brandt Peters** (US). Valley of Tinbots (below left). And prints by Brandt's artist partner **Kathie Olivas** (US) also instore. Hazel (below right) selling framed from \$350.

'The Tree Show' exhibition book (above) features works from **Mark Ryden's** (US) major solo exhibition at the Michael Kohn Gallery in Los Angeles.

Ryden's 'Fur Girl' adorns the cover of the latest quarterly art magazine **Hi Fructose** \$25 (above).

Now based in Berlin and exhibiting throughout Europe, **Seymour** (NZ) recently released the above 'Snapshot Series'. \$85 each. Limited to 100. Colourful, bright and trippy, silkscreen prints by Canadian artist **Jacob Rolfe!** 'Blueberry Trip' (right).

In-house custom Picture Framing available!

Wellington based artist **Naomi Clements** gives everyday scenes her own unique perspective. 'The Washing Line' \$75 (above). See more of Naomi's limited edition giclée prints online or instore.

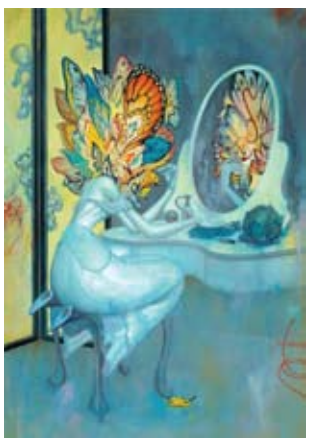

'Rock n Roll Angel' and 'Even You' prints (above). Gaze at the colourful brushstrokes by our man in Chicago **Mitch O'Connell**. Illustrator **Joel Cocks's** (NZ) works are complex and challenging. This limited edition giclée 'Market Research' (below) is one of three new prints available.

And his latest **Micro Portfolio #5** \$45 (above) includes paintings from 'The Tree Show' as 15 high quality postcards in a box.
