

Atomic Ranch (US) the inspiring magazine for architecture enthusiasts and their midcentury homes: renovations, furnishings, landscaping and resources. Sold exclusively at Eyeball Kicks. \$22.

See us also for the best misfit art magazines including **Empty** (AU), **Hi-Fructose** (US), **Ilo** (US) and **Sideroom** (NZ) plus buy **Juxtapoz** (US) to go in the draw for next months free!

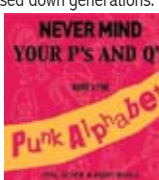

Clown Kids Playing Poker print (below) by **Ron English** (US). We love having Rons work around because when we feel sad, we only need to look at one of his prints and it makes us smile again.

We personally collect art because of its aesthetic value but many works are a tangible asset that can be enjoyed daily as it appreciates in value. It is independent of any other country's currency or stock market and fine art has long been known as being recession-proof. Art can be purchased to signify an important event in your life such as an engagement, promotion or birth and can be passed down generations.

The best **alphabet books** M Is For Metal and Nevermind Your P's & Q's. "C is for Clash, with a strummer named Joe, they're playing tonight, should I stay or should I go?"

Some Like It Hot print (below) by **Jota Leal** master portrait and caricature artist from Venezuela.

Top notch iron-on patches by licensed artists **Vince Ray, Tara McPherson, Coop, Aaron Marshall, Kozik, Shag, Von Franco, Almera, Forbes, Kruse** and **P&L** (below) \$10.

It's cute, in a deadly toxic and mutilated kind of way! Wellington based artist **Terrormesue's** new print **Toxic Sludge Bunny** (below) available now. Ed 25. \$35.

Pacmans Passing is the title of the above limited edition print by top bloke **Johnny Murphy** (NZ). It also comes with a pin badge so you can wear this artwork too! We've only 25 in the edition so be fast. \$65.

Miae Kang's (NZ) bright and quirky print **Fish Girl** (right) adorns our cover this issue. Thanks Miae! Also available: **Long Neck Girl, Red Girl** and a fat cat named **Bud**. From \$130.

Tattoo in Japan (below) an amazing tattoo art book. Our last copy was on display for 2hrs before it sold! Pre-order now for delivery before Christmas. \$250.

Customise your own crazy monster, silly surfer or fidgiting frantic with these cool model kits! **Beach Bunny** featured above or choose from many other characters - ready for you to glue and paint, your way!

Ten Cent Mix (left) a new print to the gallery by **Liam Barr** (NZ) from his sell-out 'Grand Land' exhibition. Check out the iconic buzzy bee as a hood ornament on the Mk III Zephyr! Now that's kiwi to the core, aye bro!

Soft, surreal & dream-like works by **Marion Peck** (US). Now a rare museum piece. \$89 House of Flying Seed (right) by Canadian artist **Peter Allen** who's bio includes the statement "Art is a WAY, not a THING". Right on Pete, right on!

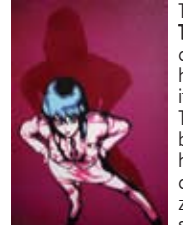

Stickers Rule! The highest quality and best selection, featuring original art from licensed artists. Customize your books, bike, car, helmet - these stick to just about anything. \$8 or 2 for \$15!

We love bamboo tiki bars and cocktails with crazy names drunken out of cool-as Tiki Mugs. **Mokoku** (right) features Hawaiian Ku and Maori Tiki Gods and faux wood finished rims. Yum. \$35.

Pop Lizard print (above) by **Acme** and screenprinted by **Workshy** (NZ) 30 available and at only \$35, these will be extinct well before he is.

Many would agree the world revolves around Wellington but the talented photography of **Allen Hemberger** (US) shows us the world IS Wellington. More instore.

NZ stencil artist **Kiran X** is new to our gallery and Eyeball Kicks has produced two limited edition giclee prints! **The Major** (below) and **Day of Wrath**. Editions of 25. \$50.

The long awaited **Tara McPherson** coffee mugs (right) have arrived! Other items available by Tara include her book 'Lonely Heart', her stationery set, colouring-in pack, zippo and ten new stickers.
