EyeBall Kicks

April 2009

Welcome **Joel Cocks** to the EyeBall Kicks family!

'Market Research' above is a cleverly layered and coloured piece available as a giclee print with an edition of 50. Pictured below is "Social Construction" an edition of 20. Best viewed instore!

The special 100th Issue of **Juxtapoz** has arrived! To help celebrate this milestone we're giving away a Juxtapoz t-shirt to two lucky customers. Purchase the 100th issue before the 10th to go into the draw.  
....

Also the new **Hi-Fructose** is in with Mark Ryden art on the cover and Empty issue 15 should be here any day. New books have landed plus Angelique back in stock.

Greg Broadmore promises he was sober when creating this piece - a friendly astronaut greeting a lovable quadruped! Huh? Who cares - this print rocks! Exclusively EyeBall Kicks, there's only 20 in the edition and they measure a very cool 900mm x 500mm. That's big sucker!

Don't forget, we're doing all our own framing these days so dig out those long forgotten prints, signed album covers or other rock memorabilia you have stashed under the bed or at the back of the wardrobe and bring it in for a professional job at a reasonable price!

Many of the items in this mailer are available on our website. Layby and gift vouchers available too!
