May 2009

We know you only got an update from us last week but today we received these prints making us the first gallery in the world to have them, so we had to let you know!

Brand new lithograph prints, 'In the Den', 'Carousel de Roma' and 'Afternoon Blues' by Detroit's most celebrated and successful underground artist **Glenn Barr**.

Glenn's subjects live in a seedy yet swinging 1960's universe, drenched in the haze of a post industrial hangover. Barr uses elements of pop culture to infuse familiarity to an otherwise parallel reality. As one critic once penned "Barr's work is the visual equivalent of a David Lynch film."

Atomic Ranch magazine issue 22 has also arrived. Atomic Ranch celebrates midcentury houses from 1940s ranch tracts to 1960s architect-designed modernist homes. With an emphasis on affordable solutions and homeowner renovations, this quarterly magazine shows you how to make your house cool, both inside and out. Launched in 2004, Atomic Ranch is published in Portland, Oregon and we are the exclusive stockists for New Zealand.

Many of the items in this mailer are available on our website. Layby and gift vouchers available too!
